Your trade mark is due for renewal by the expiry date shown above. The cost, which gives registration for the next ten years, is £200 for the first (or only) class of goods or services registered, and £50 for each other class (if any) to be renewed.

If you wish to renew your trade mark, please visit our website. This is a direct link to the e-renewal form:

We will send a certificate of renewal to the same address as this letter unless you tell us differently.

If you do not renew your registration by the above date, you can still renew it up to six months after that, but you will have to pay an extra fee of £50. If you have still not renewed your trade mark, it will be removed from the register of trade marks.

Yours faithfully,
